

## Elastomers in Aeronautics and Space

Technical Seminar  
July 11, 2018  
Le 253, Paris Xe

### Conference Program & Registration Form

60, rue Auber  
94408 VITRY SUR SEINE CEDEX  
info@aficep.com

+33 (0)1 49 60 57 85  
www.aficep.com

253, rue du Faubourg Saint-Martin  
75010 PARIS

+33 (0)1 40 05 05 00  
www.le253.fr

Technical seminar  
sponsored by

AZELIS FRANCE  
&  
BIESTERFELD

# Conference Program

• 8 h 30	<b>Reception</b>
• 9 h 00	Introduction of the Technical Seminar by Philippe DABO (AFICEP chairman)
• 9 h 15	<b>Claire VEYNE-MARTI - ARIANEGROUP (France)</b> Elastomers and their bonding within ArianeGroup
• 9 h 45	<b>Andreas KAISER - ARLANXEO (Germany)</b> Speciality Rubbers for Demanding Applications in Aeronautics
• 10 h 15	<b>Coffee Break</b>
• 10 h 45	<b>Patrick BRUNO - PARKER (USA)</b> Validation of an elastomer separating membrane Nitrogen - Ester-Phosphate
• 11 h 15	<b>Benoît OMNES - CETIM (France)</b> Characterization of composite fuel tanks for space thanks to elastomer
• 11 h 45	<b>Séverine COUPÉ - PÔLE ASTECH (France)</b> Financial schemes for collaborative R&D projects in Aeronautics
• 12 h 15	<b>Presentation of the 2017 AFICEP Award</b>
• 12h 45	<b>Lunch</b>
• 14 h 30	<b>Olivier CHANDY - BIESTERFELD (France)</b> Elastomers in Aerospace and Space
• 15 h 00	<b>Philippe BICHOT - OCSIAL EUROPE (Luxembourg)</b> SWCNT in elastomers for aerospace: conductivity & materials improvements at ultra-low loading rate
• 15 h 30	<b>Tobias SONNTAG - SIGMA ENGINEERING GMBH (Germany)</b> Simulation and autonomous optimization for improved Elastomer parts and production
• 16 h 00	<b>Break</b>
• 16 h 30	<b>Adnane BOUKAMEL - FCS RAILENIUM (France)</b> Modeling of technical elastomers for applications in rotor architectures
• 17 h 00	<b>Alexandre CECILLE - PARKER (USA)</b> Study of an unsystematic oozing of aeronautical fluid on an embedded hydropneumatic accumulator
• 17 h 30	<b>Conclusions of the day / End of seminar</b>

\* Conferences will be given in french by french speakers but all the presentation slides will be written in english.

## Elastomers in Aeronautics and Space

### REGISTRATION FEE:

AFICEP MEMBER (2018 cotisation fee duly paid)	NON-MEMBER
☐ 330.00 €	☐ 550.00 €

### Registration fee includes:

- Admission to the conference sessions
- Coffee break
- Lunch

### REGISTRATION:

- Send before July 6, 2018
- With your payment to AFICEP

Technical seminar sponsored by

REGISTRATION FORM **SEND BACK BEFORE JULY 6, 2018**

To: AFICEP
