

Silicone and Fluorinated Elastomers, Exceptional Materials for High Performance Applications

Technical Seminar
December 14, 2017
Espace Hamelin, Paris XVIe

*Conference Program
&
Registration Form*

60, rue Auber
94408 VITRY SUR SEINE CEDEX
info@aficep.com

ESPACE HAMELIN
Centre d'affaires & services

17, rue de l'Amiral Hamelin
75783 PARIS CEDEX 16

+33 (0)1 45 05 70 70
www.espace-hamelin.fr

Technical seminar
sponsored by

AZELIS FRANCE
&
BIESTERFELD

Conference Program

- **8 h 30** **Reception**
- **9 h 00** Introduction of the technical seminar by Philippe DABO (AFICEP chairman)
- **9 h 15** **Benoît BERTON - DASSAULT AVIATION (France)**
Needs and interests of DASSAULT AVIATION for high-performance silicone and fluorinated elastomers
- **9 h 45** **Ulrich GIESE - DIK (Germany)**
Preparation and advanced properties of FKM - and Silicone - Nanocomposites
- **10 h 15** **Raphaël ROUACH - DAIKIN CHEMICAL EUROPE (Japan)**
FKM in high end products
- **10 h 45** **Coffee Break**
- **11 h 15** **Marco CRISTINI - LTE (Laboratorio Tecnologico Elastomeri) (Italy)**
New FKM compounds for highly demanding applications
- **11 h 45** **Florence MAGNAN - DOW FRANCE (USA)**
Pushing the boundaries of Fluorosilicone Rubber
- **12 h 15** **Heiko BAYERL - MOMENTIVE PERFORMANCE MATERIALS GmbH (Germany)**
Silicone Elastomers - Create Value through Function (Basic properties/Product overview/Applications/New products and trends)
- **12 h 45** **Lunch**
- **14 h 15** **Franck SOSSON - SMAC (France)**
Latest advances in silicone formulation for demanding applications
- **14 h 45** **Chloé BUQUEN - SILCOMP (France)**
Silicones for high temperature applications
- **15 h 15** **Laina GUO - HUTCHINSON (France)**
Electro Active Silicone
- **15 h 45** **Break**
- **16 h 00** **Gabrielle BORGNA - ELKEM SILICONES (France)**
Silicone elastomers: from thermal resistance to fire resistance
- **16 h 30** **Nicolas SOUIL - METRAVIB/ACOEM (France)**
Definition, implementation and characterization of vibration damping solutions in space applications
- **17 h 00** **Conclusions of the day / End of seminar**

Silicone and Fluorinated Elastomers, Exceptional Materials for High Performance Applications

REGISTRATION FEE:

AFICEP MEMBER (2017 cotisation fee duly paid)	NON-MEMBER
☐ 330.00 €	☐ 550.00 €

Registration fee includes:

- Admission to the conference sessions
- Coffee break
- Lunch

REGISTRATION:

- Send before December 8, 2017
- With your payment to AFICEP

Technical seminar sponsored by

REGISTRATION FORM **SEND BACK BEFORE DECEMBER 8, 2017**

To: AFICEP
