TECHNICAL SEMINAR

« ELASTOMERS IN LAND
AND NAVAL TRANSPORT »

253, rue du Faubourg Saint-Martin
75010 PARIS

Thursday, DECEMBER 11 2025

CONTACT

JULIEN SORBON

08:30 - 17:15

PROGRAM

8h30 | Reception

9h00 | Claire CHARLOT (AFICEP Chairwoman)

AFICEP news & Introduction of the Technical Seminar

9h10 | Pascal GHYS & Fabien LE-NY – ALSTOM (France)

« Impact of PFAS contents in elastomers in railway applications »

9h35 | Hervé FEUCHTER – CREPIM (France)

« Railway fire safety: a quick breakdown of EN 45545-2 »

10h00 | Clémentine DIMECK – COVESTRO ELASTOMERS (France)

« Polyurethane Elastomers in Rail Industry, the challenge of Flame Retardancy and Smoke Suppression »

10h25 | Coffee Break

10h55 | Pierre RUBLON – NAVAL GROUP (France)

« Elastomers in the military naval industry »

11h20 | Islem BELKHOUS & Nicolas LE BIGOT – ELANOVA / PFA (France)

« Transition of the automotive industry: economic and regulatory challenges »

11h45 | Philippe LOMBARD & Laurent GERVAT – RENAULT (France)

« PFAS Ban: Can we do without fluorinated elastomers? »

12h10 | Serge BOUVIER – CELANESE (USA)

« Vamac® AEM: High-Performance Elastomer for E-Mobility Applications »

12h35 | Presentation of the AFICEP Award and Special Mention 2024

12h45 | Lunch

14h15 | Salomé CHOUPAS – ELANOVA (France)

« Study on the recyclability of rubber waste from end-of-life vehicles (excluding tires) »

14h40 | Maurice CARFANTAN & Latifa NORMAND – STELLANTIS

« How elastomers contribute to achieving the Stellantis Group's carbon neutrality goals »

15h05 | Marjan ABDORAHIM – CALYXIA (France)

« Sustainable lubrication for motion: Calyshield™ encapsulated lubricant for wear- and abrasion-resistance improvement »

15h30 | Coffee Break

15h50 | Thibaut LEROY – CREPIM (France)

« Lithium-ion Batteries: Failure Mechanisms & Thermal Runaway Risks »

16h15 | Ibrahim GÖDE – HUTCHINSON (France)

« Thermal Interface Materials (TIMs) for battery packs of hybrid and electric vehicles (H&EVs) »

16h40 | Luc BRIQUEL – ARLANXEO EMULSION RUBBER (France)

« Therban® in EV fluids »

17h05 | Conclusions of the day

17h15 | End of Technical Seminar

REGISTRATION

AFICEP MEMBER (2025 cotisation fee duly paid)	NON-MEMBER
□ 350.00 €	□ 580.00 €

Registration fee includes:

- Admission to the conference sessions
- Coffee Breaks
- Lunch

Online registration via Pay Asso:
